

IMPRINT

CITC families and IMPRINT Students, it's time to start preparing for Summer Camp.

It's almost impossible to believe that it will be here in a few short months as it feels like we just got back from Verge 2017!

In preparation for this year's trip, we have decided to return to the Verge Camp and expect to have another great week of fun and God's presence.

We want to start very early with the planning of our trip, so our team is already working towards our transportation solution. We will communicate more about that in the weeks to come. However, it's important that we also begin the planning for the financial piece to avoid any undue "instant" burden on your household.

The cost, per student, for this year's camp will be **\$400**. This includes camp registration and transportation costs. This does not include any other incidentals since meals and snacks are provided by the camp, once we arrive.

All funds for camp are due no later than Wednesday, **June 6th** of 2018. We will start accepting contributions for camp on **Wednesday, February 7th**. This gives **16 weeks** for contributions before the due date. Below is a grid break down of your contributing options for camp:

Contribution Frequency (based on Feb 7 th start date)	Contribution Amount
16 Weekly Contributions	\$25 (final contribution due by June 6 th , 2018)
8 Bi-Weekly Contributions	\$50 (final contribution due by June 6 th , 2018)
5 Monthly Contributions	\$80 (final contribution due by June 6 th , 2018)
Lump Sum Contribution	\$400 due by June 6 th , 2018

To make sure that all contributions are credited properly to each camper, we are asking that each installment is given directly to us in a sealed offering envelope with the words VERGE CAMP printed on the front. Please print the installment amount that has been placed in the envelope and the camper's full name.

Camp Dates: JUNE 18th-22nd

We plan to complete several fund raising efforts over the coming months. As always, any parents with ideas for fund raising are encouraged to let us know how they would like to help the group reach their goal. A huge thank you is necessary to all the parents and businesses that contributed last year through significant donations, bake sales and prayer ... The Browns, McCloures, Saulters, Wrights, Prestige Ford of Garland and EVERY FAMILY THAT SENT A STUDENT!

We are excited for this coming camp season and we hope you are as well. Please contact us with any questions.

Camp registration will open online this coming Sunday at 9AM.

Thank you,
Pastors Mark & Chonna Nelson
